

Plant Vogtle Units 3 & 4 Project

ELECTRICAL SUPERINTENDENTS NEEDED

HUNTSVILLE DIRECT HIRE EVENT

November 8-9, 11 a.m. to 7 p.m.

Huntsville Marriott (5 Tranquility Base, Huntsville, AL 35805)

SUPERINTENDENT JOB INFORMATION

Williams Plant Services/Richmond County Constructors (RCC) has an immediate need for electrical superintendents in the Augusta, Georgia area at Plant Vogtle Units 3&4.

Electrical superintendents are responsible for supervising and directing electrical craft employees. Competitive wages, per diem, living allowance, benefits, overtime, and more offered.

REQUIREMENTS FOR WORK

- Proven experience as an electrical superintendent or supervisor.
- Intermediate to advanced experience in construction management.
- Experience in nuclear power and non-reactor nuclear projects preferred but not required.
- Must possess legal right to work in the U.S. without sponsorship.

This is a direct hire event. Bring necessary documents in case of potential hire.

ABOUT VOGTLE UNITS 3&4

Plant Vogtle Units 3&4 is one of the largest construction jobs in the United States. It is also the only current nuclear power plant construction project in the United States. Construction efforts are building two Westinghouse AP1000 nuclear reactors that will provide clean and reliable power to over one million homes and businesses in the Southeast United States.
